ABOUT US

Kingstonville, LLC provides customized Risk Oversight, Administrative Support, and Management Consulting services to government and commercial clients. For over a decade, we have developed effective strategies, managed complex risks, and conducted comprehensive compliance reviews, ensuring accurate and timely results for every engagement.

Our team of seasoned professionals—including financial analysts, accountants, and former bankers—brings extensive expertise in evaluating and managing financial programs. We specialize in compliance reviews for Federal Government lending and grant programs, consistently achieving exceptional outcomes as a prime contractor.

As an ISO 9001:2015-certified company, Kingstonville is dedicated to the highest standards of quality. This commitment has earned us “Exceptional” ratings in the Contractor Performance Assessment Reporting System (CPARS) across multiple Federal agencies.

WHY KINGSTONVILLE

We are Best-in-Class! We hold three OASIS+ contracts across eight domains, giving our clients confidence in our demonstrated in-house experience and expertise to meet mission requirements at competitive rates. With a focus on collaboration, no challenge is too big for us. We have cultivated strong relationships with larger organizations, allowing us to take on highly complex projects and deliver exceptional service to our clients. Our carefully selected personnel and teaming partners, combined with our proven record of performance, make us a low-risk company to work with.
